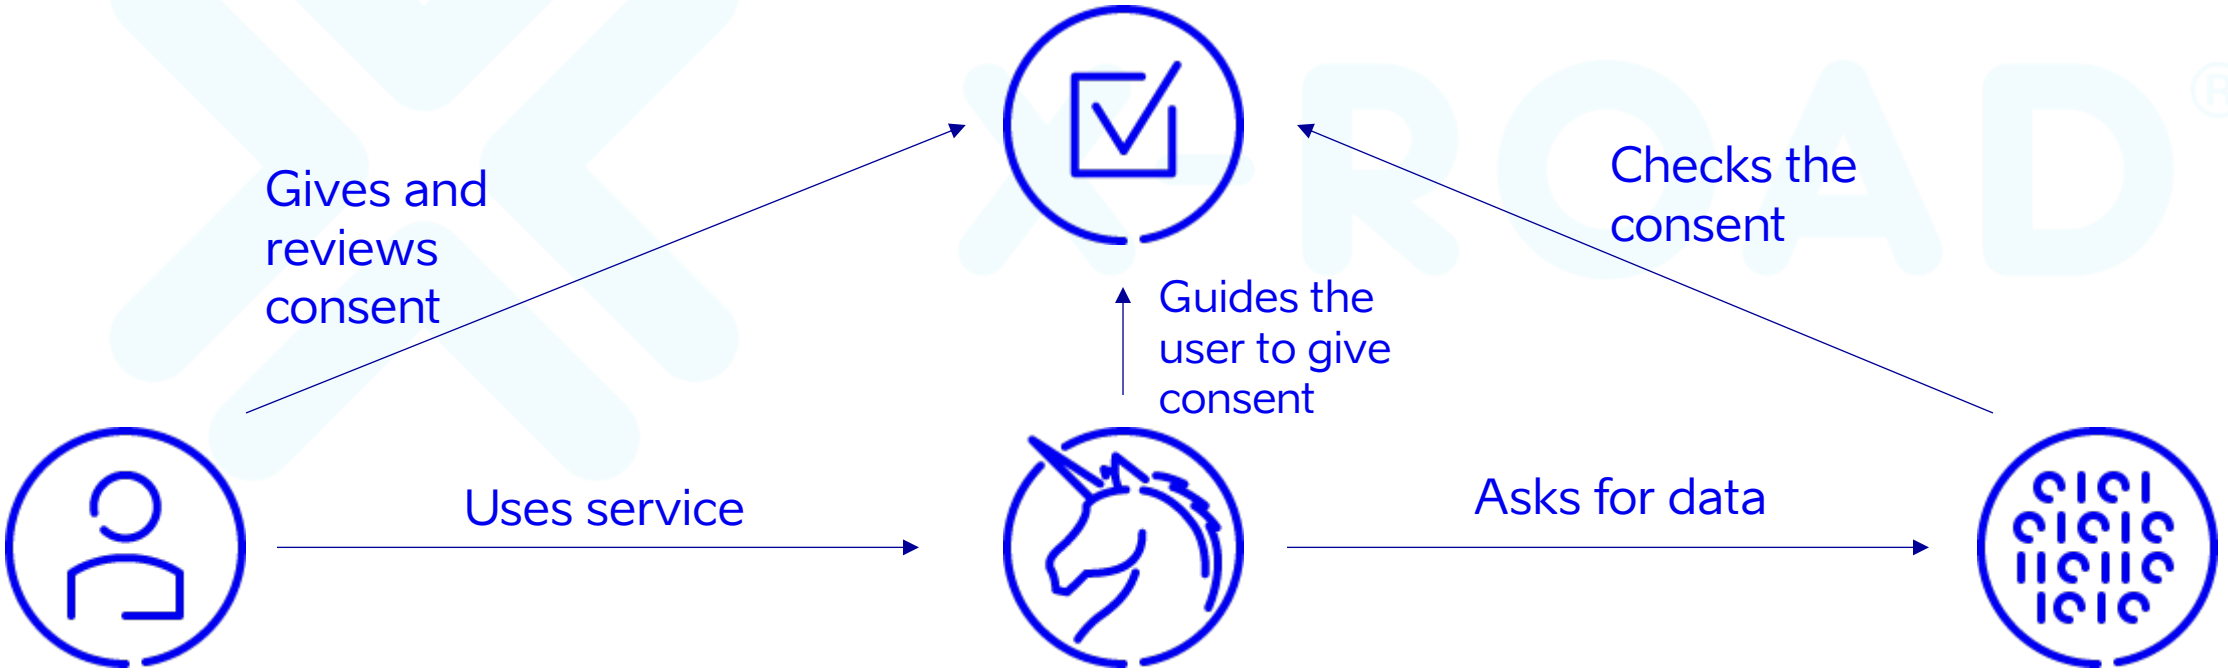
Consent management service allows innovation



Consent for transferring personal data

I, **PIRET PÄRNA** ⓘ , give **the state** ⓘ my permission for the transfer of my following personal data to the service provider **AS Ship Line** ⓘ for provision of the **Automated COVID-19 Vaccination Passport Control** service requested by me:

COVID19 immunisation data Nr 2165 Valid from 13.02.2023 to 15.03.2023 Allow Hide details

Purpose for using the data

If you allow the Health Information System to provide AS Ship Line with your COVID-19 immunisation details, AS Ship Line will be able to provide you with an Automated COVID-19 Vaccination Passport Control service.

AS Ship Line's Automated COVID-19 Vaccination Passport Control allows you to board AS Ship Line's ships without having to search for your COVID-19 vaccination passport at the port terminal.

The immunisation status will be shown in the "My Account" section of the website shipline.ee for logged in users and in the Ship Line phone app under settings.

The immunisation status will expire after XX hours, after which a new query to the Health Information System will be necessary, but the consent to the query will remain valid until the time indicated below.

Description of the data

COVID19 immunisation data:

-name of the immunised person
-immunised person's birth date
-name of vaccine
-amount of dosages
-date of immunisation

Reject Allow

I am aware of the following

- Once I have provided my personal data to AS Ship Line, AS Ship Line will be responsible for the data.
- On the state portal page eesti.ee/nõusolek I can:
  - ✓ view my consents and withdraw them, if necessary
  - ✓ see how my consents are used for data transferring
  - ✓ read more about the functioning of the Consent Service

Confirm your selection and you will be redirected back to the service provider:
